Tuition

- Trilogy runs on a monthly automatic payment withdrawal system using the credit/debit card you have on file in your Parent Portal. This will run the 25th of each month for tuition ONLY. The first month you will also receive a charge for the Yearly Registration Fee (come Fall).
- If you prefer to pay using cash or check please bring into the office prior to the 23rd of each month.
- We DO NOT accept credit/debit cards here in the office. If you would like to change the card being used please access your Parent Portal and edit your information.
- Tuition rate information is listed on the website. Please see staff for additional rates not listed.
- Tuition is not prorated for missed classes. We work on a 4 classes per month average where months having three classes are not prorated but months with 5 classes are not charged more. Make-ups are not provided unless Trilogy cancels classes.
- Tuition is non-refundable for missed classes, holidays, or vacations.
- Acceptable payment methods are cash or check made payable to Trilogy or using a Visa or Mastercard Debit or Credit card through your Parent Portal. If there is an overpayment it will be applied to your account as we can't make change. We do not have a mailbox for this location so please do not mail payments to the physical location address.
- Rates other than tuition MUST be turned in as cash or check so we are able to avoid additional processing fees. You may authorize your card to be used for a transaction only while in the office. A 8% processing fee will be added to charges using your card on file that is not for tuition.

- Please note you will receive a statement the middle of each month so you are aware of what charges are on your account and what has been paid as you cannot see this on the Portal.
- Students with accounts that are 30 days past due will not be allowed to participate in class. Students with accounts that are 60 days past due will be removed from his/her class without refund of any money previously paid. Students must have a current account to have costume/uniform/leotards ordered, receive costumes/uniforms/leotards, participate in competitions/meets, purchase recital tickets, and participate in recital and/or tumbling medal ceremony.
- After we have received payment declined messages twice on your account there will be an additional \$10 fee added to each attempt to run thereafter.
- **You are responsible for tuition in a class we are reserving a spot for your child in. A Drop Notification slip must be filled out online if your child will be leaving the program for the monthly withdrawal to be discontinued. No shows are not dropped until we receive notice therefore are responsible for tuition. You will find the Drop Notification on our website www.trilogydtc.com under the About tab. Drops must be received by the 23rd of the month for the tuition withdrawal to be stopped. If a payment goes through that spot is yours for the month and will not be refunded.**
- All past due accounts will be forwarded to Trilogy's attorney for collection and the customer will be responsible for any fees incurred by the attorney.
- There is a \$25 returned check fee in addition to your bank fees. After three you will be required to make only cash payments.
- Please label all payments turned in with the student's name and what the payment should be applied to.
